It is important that everyone involved in football feels comfortable, free and able to enjoy the game. Safeguarding is everyone's responsibility and the FA have strict policies for clubs to follow. Anyone involved in grassroots football has a duty to ensure that the game provides an experience that is safe, positive, and enjoyable for everyone.

### My role is:

- to ensure we have preventative safeguarding measures to create a fun, safe, football environment.
- to make the reporting of concerns as easy as possible for you.
- to ensure any safeguarding and child protection concerns are investigated swiftly and thoroughly in conjunction with statutory agencies.
